1on1 Sports: After-School Hoops

(2nd-5th Grade, Min 10/Max 18)

Join One-on-One Basketball this semester for After School Hoops®, an ideal after school activity for aspiring athletes. Basketball is a unique sport that combines upper and lower body motor-skill learning with an intense cardiovascular workout. Our organization has decades of experience teaching this sport in a motivating, inclusive and age-appropriate manor. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun! **COST: \$153**

Bricks 4 Kidz: Game On!

(K-2nd Grade, Min 8/Max 14)

In this interactive enrichment class, it's all about video games! Students will use LEGO® Bricks to build motorized models of characters from their favorite games. Game on with Super Mario Bros, Pokémon, Minecraft, Zelda, Pacman, and Sonic the Hedgehog! Each day will be a new adventure as the virtual and LEGO® worlds combine! Note - This is a Lego focused class, we will not be playing video games. **COST: \$195**

Chessmates: Chess Club

(1st-5th Grade, Min 8/Max 14)

Join the chess club! Learn tactics and strategies of chess, solve chess puzzles, and play the game with your friends! Knowledge of chess moves recommended. **COST: \$155**

Kong Academy: Parkour

(K-2nd Grade, Min 6/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships. **COST: \$267**

Mad Science: Ready, STEM, Go!

(1st-5th Grade, Min 12/Max 20)

In this program children learn foundational science and find out how STEM is at work in the world around them! They will learn about the animal kingdom, both on land and under the sea, make mixtures, explore the science of motion and energy, and discover the technology that powers our modern world. Weekly topics include: All About Animals, Energy Burst!, Get Connected, Life in the Sea, Mix It Up, Moving Motion, Radical Robots, and Super Power Sources. At the end of every class, participants will take home an educational toy that extends the learning experience! **COST: \$266**

Math N Stuff: Pokémon Trainers Club

(2nd-5th Grade, Min 8/Max 20)

Pokémon is a card game in which two players take on the role of Pokémon trainers, attempting to outwit and outplay each other using different Pokémon creatures and tactics in the arena. This after-school Pokémon class teaches the basic rules of the Pokémon Trading Card Game! Our young Pokémon trainers will get their own trainer decks to duel their friends. They will add new cards to their decks as they learn deeper strategies and the spirit of the game. **COST: \$207**

Mrs. Bruecher: Circus Arts

(2nd-5th Grade, Min 25/Max 40)

All students thrive and have access to choose from learning how to unicycle, balance on the walking globe, stilts, juggling equipment of all kinds. Unicycle coaches are embedded into the class to help with mentorship and setting up learners for success. All students are asked to set goals for each session to help ensure purpose and growth in more than one area of the skill options. **COST: \$145**

Seattle Dance Fitness: Hip Hop Kids

(K-4th Grade, Min 5/Max 12)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness. **COST: \$183**

Seattle ReCreative: Maker Mania

(K-2nd Grade, Min 8/Max 15)

Get crafty with Seattle ReCreative! Using recycled materials, we will make art, think creatively, and problem solve. Each week will feature a different material and activity to inspire your child's imagination. From popsicle sticks to bottle caps, from fabric to cardboard, the creative possibilities are endless! We will be using low-heat glue guns in this class. **COST: \$200**
