CLASS DESCRIPTIONS: Session 3 (Mon 2/10/25 – Fri 4/25/25)

Classes that do not meet the minimum enrollment will be cancelled.

1on1 Sports: After-School Hoops

(K-2nd Grade, Min 10/Max 18)

Join One-on-One Basketball this semester for After School Hoops®, an ideal after school activity for aspiring athletes. Basketball is a unique sport that combines upper and lower body motor-skill learning with an intense cardiovascular workout. Our organization has decades of experience teaching this sport in a motivating, inclusive and age-appropriate manor. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun!

Bilingual Kids Seattle: Spanish Language!

(K-5th Grade, Min 10/Max 18)

Have you ever wanted to provide your child with the opportunity of being bilingual? Students will learn and practice the second most commonly spoken language in the U.S. while benefiting from language learner outcomes such as support for higher academic achievement and the development of cognitive skills. Additionally, learning a new language gives students a greater global understanding of our world and access to another culture to see things from a new perspective. This is an immersion class consisting of language instruction in an academic setting which follows an innovative, dynamic and well-researched curriculum.

Bricks 4 Kidz: Brick City Engineers

(K-3rd Grade, Min 8/Max 14)

Build motorized super hero characters and their contraptions with LEGO® bricks! Join Bricks 4 Kidz to fight crime along-side all of your favorite heroes from comics and movies. We'll sling webs, fly faster than a speeding bullet, and assemble an incredible super-powered team at the Super Hero Academy!

CraftLab Seattle: Catch of the Day

(1st-5th Grade, Min 8/Max 12)

We will create art and crafts inspired by the ocean's animals and plants. We will watercolor a beach scene, create collages of fish and mermaids, make Japanese Carp windsocks, and many other creative projects. We will use upcycled, donated, and thrifted material each week so bring your creativity, your best cutting and gluing skills and of course a willingness to have fun with CraftLab Seattle!

HOFTC: Choose Your Own Adventure

(All Ages, MTRF Max 16, Wed Max 24)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

HOFTC: Gaga Ball + HOF Games

(Min 8/Max 16)

Can't get enough Gaga Ball? Play every week while mixing in some other summer camp favorites such as 9-Square, Castle Ball, and dodgeball games! Newcomers will learn the games and improve their skills, while seasoned players can get their competitive juices flowing.

HOFTC: Social Games

(3rd-5th Grade, Min 4/Max 10)

Our awesome counselors will lead groups in fun games of Poison Dart Frog, Uno, Among Us (a live version, NOT on a screen), Scavenger Hunts, Pictionary, board games, Mad Libs, puzzles, etc. There will be some free time to unwind on the playground, and to create with perler beads, art supplies for doodling, and our many many legos.

Kids' Carpentry Seattle

(K-5th Grade, Min 5/Max 8)

Kids' Carpentry is a hands-on toy building experience designed to teach kids practical woodworking skills with an emphasis on the safe use of hand tools. While kids construct fun and exciting projects, they are also empowered to become independent thinkers--building confidence, self-esteem, and a repertoire of practical skills that will last them a lifetime. At the end of the session kids will bring home one or more wooden games or toys that they have built by hand from scratch.

Kodely: Robotics Jr. Explorers

(K-5th Grade, Min 8/Max 25)

Step into a world of discovery with Robotics Junior Explorers, a fun and engaging program where young creators learn by doing! Each week, students tackle a new adventure that blends creativity, problem-solving, and basic STEM principles. From crafting glowing bugs that light up with LEDs to racing mini motor-powered cars, every project is designed to spark curiosity and bring ideas to life.

Kodely: Shark Tank

(K-5th Grade, Min 8/Max 25)

Unlock the potential of young entrepreneurs—where creativity meets business! Empower students to design their own products, launch imaginative ventures, and build leadership skills in a supportive, engaging environment.

Kong Academy: Parkour**(K-2nd Grade, Min 6/Max 12)**

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships.

Melodic Arts: Show Choir**(K-3rd OR 4th-8th Grade, Min 10/Max 40)**

Courageous friendship--come sing and dance with us! Strengthen your body, voice, and heart as we learn real choreography from Matilda, Wicked, and Lion King as we explore the themes of courage and friendship. We will learn proper vocal technique, singing in parts, and basic music reading. Dance will focus on jazz, musical theatre skills, flexibility and core strength. All students and abilities are welcome!

Orangutan Chess: Chess Club**(K-8th Grade, Min 8/Max 22)**

Chess Club is a community for new and experienced students to learn together, including checkmate patterns, tactics, openings, strategy, chess notation, chess history, famous games, local chess events, how to play in chess tournaments, different ways to play chess (variants), how to create a chess variant and more! ChessKid.com gold memberships are provided to all club members for 24/7 access to puzzles, lessons, and games. OCA has instructed multiple Washington State Chess Champions since 2017. Because younger students frequently have shorter attention spans, OCA offers 10-15 minutes of optional "wind down" time at the end of the club with non-chess videos like TED educational cartoons or the award-winning Shaun the Sheep.

Seattle Dance Fitness: Hip Hop Kids**(K-4th Grade, Min 5/Max 15)**

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness.

Seattle Magic Academy: Discover Magic! Blue Wand Course**(2nd-5th Grade, Min 10/Max 20)**

Get ready to take an amazing adventure into the exciting world of magic! Join the Seattle Magic Academy with their very popular magic class! Learn how to teleport objects across the room, find hidden magical treasures, levitate a cup of popcorn, plus many more! The 4 different wand color courses offered can be taken in any order, and all the magic is different in each course. Students gain communication skills and self-confidence in these magic classes. Students will receive all the magic tricks taught in the course, "secret" file folders, access to an online video vault to revisit everything being taught, and more surprises.

Strategic Kids: Magic Origami**(K-2nd Grade, Min 6/Max 18)**

Magic Origami is a fun and exciting class where children will explore the use of origami in performing magic. Some tricks include the magical bag, Harry the Waking Pelican, George the Curious Monkey, Magic Blooming Flowers and much more. Students will gain confidence in themselves by performing these magical tricks!

Tabletop Village: Pokémon Club**(2nd-6th Grade, Min 8/Max 18)**

By providing lessons for children to trade and learn how to play the Pokémon Trading Card Game, your children will learn how to contextualize their reading and math skills, long term strategic thinking and planning, how to make fair and equitable trades, and how to be a kind and sportsmanlike competitor. Our certified Pokémon Professors will provide, decks for children to play with (all levels of play) among - other materials, teaching materials and educational games (Pokécatch, Attach and Attack, Raid Battles, etc.), and high-quality lessons/presentations on how to play Pokémon TCG.
