# CLASS DESCRIPTIONS: Fall Quarter (10/15/24 – 12/12/24)

Classes that do not meet the minimum enrollment will be cancelled.

## 1on1 Sports: After-School Hoops

(2<sup>nd</sup>-5<sup>th</sup> Grade, Min 10/Max 18)

Join One-on-One Basketball this semester for After School Hoops®, an ideal after school activity for aspiring athletes. Basketball is a unique sport that combines upper and lower body motor-skill learning with an intense cardiovascular workout. Our organization has decades of experience teaching this sport in a motivating, inclusive and age-appropriate manner. After School Hoops® makes three guarantees: your child will learn, sweat, and have fun!

## Coach David: Chess Club

(1<sup>st</sup>-5<sup>th</sup> Grade, Min 10/Max 18)

Anyone interested in learning how to play the game of chess is encouraged to register and all skill levels are welcome. Students will have the opportunity to learn from an instructor, play chess with their friends, complete activities and challenges to win prizes, and even compete in tournaments if they so choose. Coach David Hirschowitz, who taught the club last year, will be leading the club once again on Tuesdays after school.

## HOFTC: Choose Your Own Adventure

(K-5<sup>th</sup> Grade, Max 8)

Would your child like to join friends for an **organized active game** led by one of our experienced counselors? Would they prefer to play an **indoor board game or card game**? How about **solo time** to color or work on homework? Maybe they just need some **less-structured free-time** on the playground or field (rain or shine!) after school to burn off excess energy and engage in free play. We offer all of those options! Choose Your Own Adventure allows each child to recharge after school in their own way, without screens and with proper supervision.

## Kong Academy: Parkour

(K-2<sup>nd</sup> Grade, Min 6/Max 12)

Get ready for an adventurous journey in Social Awareness, Relationships, and Responsible Decision-Making Skills. The Kong Academy program empowers kids physically, socially, and emotionally through: play, games, and parkour-based movement. Join us as your kids unlock their social superpowers through fitness-focused games and movement-based adventures. They'll dive into a world of teamwork, navigating challenges that foster social awareness and build positive relationships.

## Seattle Dance Fitness: Hip Hop Kids

(K-4<sup>th</sup> Grade, Min 5/Max 15)

Hip Hop Kids Dance Fitness classes (aka Hip Hop Kids) feature kid-friendly routines based on original hip hop and pop choreography. We break down the steps and add games and other activities into the class structure. Plenty of time to FREESTYLE too! Think of this class as a weekly after school DANCE PARTY! Hip Hop Kids helps to develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun! Classes incorporate key childhood development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness.

## Where Creatives Gather: Imagination Station—All About Art

(K-3<sup>rd</sup> Grade, Min 12/Max 16)

Calling all fairies, dragons and kawaii mystical creatures! In this quarter, we will go on a journey exploring the worlds of fairies, dragons and kawaii mystical creatures. We will tell their story through art projects that will include clay dragon eggs, a stuffie creature, fairy lanterns, glow in the dark slime (aka dragon snot!), clay beads, wish bottles, mystical creature food and more! On the last day, we will have a fun art show, showcasing the stories and fun facts about their mystical creatures and who they are. All supplies and snacks included

## Where Creatives Gather: Let's Make Something!—All About Art

(3<sup>rd</sup>-5<sup>th</sup> Grade, Min 12/Max 22)

Calling all artists and creative minds! Let's make the craziest, 3-dimensional, expressive art journal possible (with a little slime on the side)! We will create and design an expressive art journal. Every week will be building a new page, with a different medium, exploring the textures of mixed media, papercrafts, resin and clay. In addition, there will be a couple of weeks of crunchy slime and creative snacks also built into their journal. Did I mention no art rules apply and coloring outside the lines is a must. It will be a blast and a sense of humor is encouraged! On the last day, we will have an art show for parents showcasing each unique art journal and its inventions.
